

Bulletin Announcement
“*Your School Name or Parish School of Religion*”
School Endowment

Are you concerned about the long-term future of our Catholic Schools or enhancing your parish school of religion? Do you know that there is an Endowment Fund that pays an annual income and provides a solid financial endowment for the future operation of our schools and parish schools of religion?

The [name of school or parish] Endowment provides a means to insure the future of Catholic education in our Diocese.

By designating your school’s or parish school of religion’s endowment in your will, trust or gift annuity or by giving directly from your current assets, you will leave a legacy for young people long after you have left this earth. For more information, contact the Educational Endowment Trust at (816) 756-1858, ext. 562.
