Susi's Story

Being a saint simply means being who you are meant to be in the world around you. Susi Sinton seems to have captured much of that simplicity in her life. A long-time member of Christ the King Parish in Kansas City, Missouri, Susi led a quiet, unassuming life, serving as a nurse and providing volunteer services for seniors at her parish.

Upon her death, Susi chose to help the Church by giving to Catholic Charities and the Human Rights Office, establishing a fund to help local charities through the Catholic Campaign for Human Development.

How Can You Help?

You too can become a quiet force for good in our diocese by joining the Susi Sinton Endowment in the good work of the Catholic Campaign for Human Development through a contribution:

- **A cash gift**
- **A gift of appreciated stock**
- **Payable or transferable on death accounts (POD or TOD)**
- **A designation of your IRA fund at your death**
- **A bequest from your will or trust at your death**
- **A charitable gift annuity**
- **Life insurance on your life or the life of a relative**

What is the Catholic Campaign for Human Development?

The Catholic Campaign for Human Development (CCHD) is the domestic anti-poverty, social justice program of the U.S. Catholic bishops. Its mission is to address the root causes of poverty in America through promotion and support of community-controlled, self-help organizations and through transformative education. Just some of the groups our local CCHD funds have funded are:

- ◆ Veronica's Voice
- ◆ Migrant Farm Workers Project
- ◆ First Step Fund*
- ◆ Hispanic Outreach of St. Joseph
- ◆ Sparks of Hope
