Diocese of Kansas City~St. Joseph

Remarriage preparation is required of all couples seeking to receive the Sacrament of Matrimony within the Catholic Church.

The Diocese of Kansas City~St. Joseph offers the **To Trust Again!** preparation experience for engaged couples. This experience is designed to creatively invite the couples into discussion and discernment regarding their marriage plans.

Through a process of large and small group activities, in addition to individual couple exercises, the remarriage preparation process encourages the participants to learn from the life experiences of others.

Couples who are already married (via a civil ceremony) and who have no previous marriage relationship may not be appropriate candidates for the Remarriage experience.

The Family Life Office encourages the parish coordinator to explore with the civilly married couple the advantages of a Catholic Marriage Encounter weekend. Catholic Marriage Encounter offers a reflective experience for couples whose marriage might be further enhanced or blessed through an enrichment focus.

To Trust Again! seminars are held four times per year. A limited number of couples (9) can be served each weekend; early registration is recommended. The experience begins Saturday morning at 9:00AM and concludes Saturday afternoon at 6:00PM.

Certificates of participation are issued to each remarrying couple who completes this preparation.

Follow-up with the pastor and/or the parish marriage preparation coordinator is a necessary part of the remarriage experience.

The cost of this seminar is \$80.00 per couple and is due in full at the time of registration. Payment of the registration fee may be negotiated through the parish. **No late registrations will be accepted.**

Remarriage preparation coordinators facilitate discussion among the couples in areas pertinent to:

- § The emotional closure of the previous marriage experience.
- § Expectations and concerns within the new marriage relationship.
- § Blending of children and families.
- § Continuing relationships among extended family members, community and Church.
